Tuesday, June 24, 2008. Due to technical and scheduling difficulties, counsel for the defendant has not yet reviewed and intends to begin reviewing the images at issue in this case next week. This case involves a large number of images and the review may take several days to complete. In addition, although the parties have commenced plea negotiations, defense counsel needs to review the images before completing these negotiations. Mindful of the need to proceed expeditiously, the parties seek a short continuance until July 8, 2008 to permit defense counsel to review the images and for counsel to engage in meaningful plea negotiations. The parties agree that time is properly excluded under the Speedy Trial Act for continuity and effective
